Goodbye James

We had to say "hello" before we could say "goodbye" We first had to laugh in order to cry

You were the one who always found a way You said "hello" to life each and every day

You always laughed and never had time to cry Now we keep asking "Why did he have to die"?

You were part of us and then you were taken away Know we'll be remembering you for forever and a day.

LOTS OF EFFORT ... LITTLE SUCCESS

The Tiger football team started practice with high hopes but they dwindled as the season went from bad to worse. The Tigers opened the season with a 14-0 loss to Janesville. Things looked better after a 13-0 win over Norwood. After losing to Mankato 14-0 the Tigers put together a good game against Lesueur but lost 21-12. In the homecoming game Belle Plaine scored first but Jordan prevailed. 21-7. In the final 3 games the Tigers couldn't manage a point as they ended the season with a 1-7 mark. Next years detense looks good with 7 returning starters. The offense will have to improve if the Tigers want to do anything in the future.

GIRLS TENNIS KEPT THE SPIRIT

The 1985 Tennis Tigers had a successful season with a record of ten wins and four losses. The only two teams to defeat the tigers were St. Peter and LeSueur who each had two victories. The team's four seniors were Simone Bull, Molly Daly, Jill Fogarty, and Courtney Hoelz. Sara Miller and Courtney Hoelz were awarded All-Conference Honorable Mention. The team played well both physically and mentally as they had as much spirit for the last match as they did for the first match

The Tigers B-Squad team started out the year with high hopes. They were very optimistic about the season. They started out strong and confident about their play, but when the young tigers seemed to be on a roll the momentum would change for the worst. The tigers record was 8 wins 9 losses overall. All in all the tigers showed determination and will power. The depth on the team was a good factor and also key playing time for a few freshmen helped capture many of the wins.

The Belle Plaine boys basketball team had an up and down year but finished strong to take 4th in district play. The Tigers were playing .500 ball when they went to play in the Gaylord holiday tourney. B.P. drew a tough Gaylord team and lost (39-54). The Tigers bounced back to take third by beating Nicollet (49-37). On parents night the Tigers trailed Jordan by 5 points with 30 seconds to play but a last second shot fell and the Tigers won by a point. In District play after beating the MN School for the Deaf the Tigers played the 2nd ranked B.A. Cardinals. When the smoke cleared and after 2 overtimes B.P. came away with a (49-44) victory. In the semis the Tigers lost to Morristown and the Tigers took 4th after losing to Monty. The 1986 Baseball team was very young and inexperienced this year. With only two seniors on the squad, the tigers youth showed as they lost many games with poor fielding and pitching

The team finished with a 7-12 record against some very good competition. They finished 5th in the conference. The highlight of the year was the fast start they got of to as they won seven of their first twelve games. From this point on however, the team struggled as they lost seven in a row, including a 3-1 defeat in District play to Fairbault Shattuck.

Leading hitter for the Tigers was Jeff Bruder with a .442 average followed by Jim Buesgens with .388.

Pitching was the Tigers downfall as they only had one pitcher who showed any consistency at all. Jeff Bruder won four games while losing three. His E.R.A. was 2.75.

Joe Edberg who was the only starting senior on the squad received ALL CONFERENCE HONORS with Jeff Bruder HONORABLE MENTION

STUDENTS RECEIVE HONORS

Throughout the 1985-86 school year, many of the B.P.H.S. students received honors, Academically, musically, and in extra curricular sporting activities. The highlight for many of the students, faculty, and community members was following the Vodeyball team to the State Tournament, and cheering them on to a fourth place finish, and the Sportsmanship Trophy

Belle Plaine students roared with excitement as they watched Andy Fogarty and Jim Buesgens roll through District and Region Competition and advance to State Tournament. Andy brought home a third place medal, the highest place of any wrestler in B.P. History. Andy and Jim will both be back next year to help the team out.

IMPROVEMENTS IN THE COUNCIL

The Senior High Student Council made a few changes this year. They began to use parliamentary procedure during their meetings, a new constitution was written for the Student Council so that it was up to date with the school, and during the traditional Snow Week a king and queen were named this year

The Student Council started the year by distributing the Birthday Calandar to the community. The next activity that kept them busy was Snow Week which took much work and organization. In the Spring the Council sold daffodils for the American Cancer Society and then ended the year's activities by selling the Community Birthday Calandar.

COUNCIL KEEPS ACTIVE

The Jr. High Student Council was very active this year. Members started the year by providing an orientation for new students. Forty-six people nominated themselves for eighteen elected positions. In the fall the Council purchased a case for display in the Jr. High, held a fund raiser for the Schmeckpepper family, and decorated the halls for Halloween. For Christmas the Council decorated the doors, rented VCRs and tapes for viewing, collected canned goods for needy families, raised money to buy toys for needy families, and they provided the movie Cipher in the Snow for the Jr. High students to view. Council members provided a babysitting service for Parent-teacher conferences once again this year. They sold daffodils for the American Cancer Society and in the spring they donated some funds for the ninth grade Valleyfair trip. Throughout the year the Council had five dances, worked in three concessions and sold doughnuts during the noon hour

BYE BYE BIRDIE A SMASH HIT!

This year's musical, "Bye Bye Birdie", was the story of rock star, Conrad Birdie, and his star struck fan, Kim Macavee After being drafted into the Army, Birdie's managers, Rosie and Albert, arranged a final publicity stunt, one last kiss, to Kim Macavee to bid her and all of the female fans farewell

The rest of this humorous musical revolved around the crazy circumstances and turmoil created by the infamous Conrad Birdie's presence in the usually peaceful town of Sweet Apple, Ohio

The cast and crew had a super time rehearing for the performances on November 8th and 10th. Many long hours were spent blocking scenes, memorizing lines, practicing songs and trying to master the dance steps. It took a lot of effort from everyone, cast, crew, pit and directors, to get the show off the ground, but the many hours of rehearsal and hard work paid off in the final week when things pulled together and the opening performance was a hit

The rehearsals and performances of "Bye Bye Birdie" were fun for everyone and will bring back many memories. We hope that these pictures will capture a few of the many good times had by all

The cast and crew then traveled to Waterville for the Region 4A competition, where they captured second place.

"The Bald Soprano" proved to be a very interesting and challenging play to perform. The cast and crew did a tremendous job in making the play worthwhile and imaginitive.

SPEECH

The 1985-86 season got underway on February eighth in Shakopee. The team consisted of 35 junior and senior high students. Throughout the season four team members earned outstanding speaker awards, Todd Hardwick, Mike Gaffney, Jerrad Fense, and Sheral Kahle. The highlight of the season came when Todd received First Alternate to State at Region competition. The team did very well this season and is only losing five members, so the team will be back in almost full force next season.

CHOIR UNDERGOES CHANGES

The Sr. High Choir was busy this year with many activities. They sang for Homecoming, and commencements In the fall of the year, in December and again in Spring, the choir had concerts

They had eighteen entries in the Solo and Ensemble Contest on April 1, with twelve receiving superior ratings. The choir also sang at the POPS Concert in May

The choir received a special gift this year, in the form of a new instructor. Mrs. Kopperaud took over the challenge of directing the choir, which was a big change for both Mrs. Kopperaud and the choir, but judging from the overall performance of the choir this year, we feel she did an outstanding job.

Belle Plaine Takes Fourth At State Volleyball Tournament

It was a great weekend of volleyball for the Tiger team and the Belle Plaine community. Only one thing could have topped it and that would have been to win the title.

The weekend is now over, along with the 1985 volleyball season and what remains, states coach Brinton Hawkins, is a beautiful memory of a beautiful season.

In the first match at the state tournament at the Met Center in Bloomington the Tigers went against a team they had lost to earlier in the season, St. Michaels. But the Tigers were not to be denied Friday morning winning 15-4 and 15-11.

The Tigers had high hopes of winning at least one more to make it to the finals but a very solid, well-balanced team from up north, Greenway Coloraine, stopped their efforts Friday evening

coached. They didn't make mistakes. Greenway had a very strong offense with a devastating quick middle attack and a defense that prevented P Plaine from scoring." 12th Grade
